

Organize, budget, plan, even pay online

The features of Quicken Health Expense Tracker include:

- A clear breakdown of every health care claim
- Your family's claim history, accessible anytime
- Receipts and records going back up to 18 months
- An automated Claim Assistant checks for accuracy and provides step-by-step guidance to resolve common claims issues
- Medical information in language you can understand

The benefits of Quicken Health Expense Tracker for you:

- Saves time – no more figuring out complicated bills or wondering if your medical plan portion has been paid
- Saves money – knowing exactly how much you're spending on health care helps you budget and plan wisely
- Saves paper – e-billing eliminates bulky envelope waste, and with all your health care claim records neatly organized online, you'll be able to locate and print out only the specific pages you need
